

Business Management / Entrepreneurship

Description

Dreaming of having your own business? Tulsa Tech's Business Management & Entrepreneurship class can help. Learn about risk management, finance, supervision, business plans, market research analysis and many other topics that will help you start and maintain a successful business. You will also learn how to use technology and specifically the Internet to broaden your market and make your business more efficient. Along with developing business plans, you will learn presentation skills and gain confidence in making your dream a reality.

- Network with leadership professionals in a variety of businesses
- Create marketing plans that impact the success of actual companies
- Discover entrepreneurial opportunities on a global scale

College Credit

College credit may be available through TCC, RSU, or OSU-Institute of Technology. For more details call the college relations office at 918-828-5205. All college credit is awarded by the college/university.
