

Digital Media

Description

Digital Media program will allow students to develop basic skills in digital media and graphic design. Students will have an opportunity to build a strong foundation through hands on applications and career focused projects. All projects will be incorporated into a digital portfolio and certification opportunities.

- Build a strong foundation in graphic design
- Concentrate on Digital Media through the use of Adobe courses – Photoshop, InDesign, Illustrator, and Acrobat Reader. Digital Photography is a major part of the curriculum as well
- Digital Media students will use the above courses, including students' original photography, as assignments for both individual and team projects

College Credit

College credit may be available through TCC, RSU, or OSU-Institute of Technology. For more details call the college relations office at 918-828-5205. All college credit is awarded by the college/university.
