

Barber

Description

In a competitive job market, personal appearance plays a significant role in who gets the jobs and the promotions. Barbers help their clients look their best through quality hair and facial care. Professionals at Tulsa Tech's Barber program will help you learn to cut, shampoo, color, and style hair as well as shave facial hair for customers, and provide scalp treatments and facial massages. Customer service, sales and management skills are stressed for those who choose either to work for others or open their own business.
