

INTERIOR DESIGN

Campus Location

Lemley Campus

Occupational Focus

Explore your creative talents through Interior Design at Tulsa Tech. The Interior Design Technology program will prepare you for careers in the industry. As you investigate the field of interior design, you will focus on space planning, elements of design, decorating, and furnishings through appropriate computer software and decorative techniques. You will become skilled in lettering, orthographic drawing, and various visual presentations. The course will include outside elements that affect housing choices and landscaping.

For information concerning working conditions, physical requirements, employment and job outlook please refer to the 2008-09 Occupational Outlook Handbook (OOH) at <http://www.bls.gov/oco/>.

Career Majors

Interior Design Technician - 550 Hours*

This major provides students with a basic understanding of the educational requirements and job responsibilities in the Interior Design profession. Course work includes design principles, technical drafting and sketching, materials and finishes, and architectural styles and history. Students will also develop their communication and presentations skills.

**Career major, courses and hours are subject to change without notice*

Tuition

No charge for high school students within Tulsa Tech District.

Books/Supplies

No textbook charge for high school students within Tulsa Tech District.

College Credit

College credit is available for the majority of Tulsa Tech's full-time programs through Rogers State University, Oklahoma State University-IT or Tulsa Community College. Advanced standing credit may also be granted for some of our programs. The number of hours varies depending on the program length, the college granting the credit, and the student's plan of study. Check with your Tulsa Tech counselor for more information.

Tulsa-Area Salary

\$8.00-\$16.00/hour

Application Process
