

Motorcycle & Watercraft

Description

Tulsa Tech's Motorcycle program will put you on the path toward a career in the outdoor power sports equipment and motorcycle service industry. You will study safety, tools, measurement, and engine principles as well as repair aspects of fuel, electrical and drive systems motorcycles and watercraft. You will also learn to evaluate, troubleshoot and recondition selected engines and equipment within this diverse trade area. You will have the opportunity to attend annual update seminars at the Broken Arrow Campus sponsored by Kawasaki, Briggs & Stratton, Yamaha among others. Successful program completion equips you with the skills to transition easily into one of the many jobs in this broad occupational area.

- Learn in a shop environment to be a technician on modern motorcycles, all terrain vehicles (ATV) & other power products
- Diagnose, troubleshoot, & repair powersport engines, drive trains, fuel systems & electrical components
- Gain valuable experience from field trips to dealerships & special powersport events
