

TRANSITIONAL CAREER EDUCATION PROGRAM

Campus Location

Lemley Campus

Occupational Focus

Tulsa Tech's Transitional Career Education Program provides an ideal setting for you to become aware and explore a variety of occupational areas with a hands-on approach. Activities are matched with your interests and abilities and hold the possibility of opportunities for future training. You will have the advantage of individualized classroom instruction, academic support, and instruction in life management skills. If you are going to be a high school sophomore or junior, you may apply for the TCEP program and sample a variety of career tech programs from Tulsa Tech's program clusters.

For information concerning working conditions, physical requirements, employment and job outlook please refer to the 2008-09 Occupational Outlook Handbook (OOH) at <http://www.bls.gov/oco/>.
