A broker license allows a person to do business as a firm and sponsor licensed associates (provisional sales associates, sales associates or broker associates). The broker will be responsible for activities of their associates. In order for an applicant to apply for a broker license, the applicant must be of good moral character, possess two (2) years of active experience, or its equivalent, as a PSA or SA within the past five (5) years, and submit evidence of successful completion of ninety (90) clock hours of advanced real estate instruction in a course that is approved by the Oklahoma Real Estate Commission (OREC).

A broker applicant may request the two years experience to be waived but no education course content may be waived. The broker applicant must show proof of successful completion in the basic, provisional post-license (or its equivalent) and advanced course of study prior to qualifying for the broker examination. Upon request from OREC, an applicant may attempt to qualify for the two (2) year waiver and must submit all documentation as required by the OREC to verify the waiver.

Upon passing the state examination, a broker has the option of applying for a license as a broker associate, proprietor broker, managing broker for a corporation or association, or as a broker partner of a partnership.
