

Tulsa Tech has partnered with the Association of Mortgage Educators to offer online SAFE MLO Pre-licensing, Exam Preparation and NMLS Approved Continuing Education.

Association of Mortgage Educators (NMLS Provider ID:1400214) will report your course completion.

1. Our NMLS-approved (Nationwide Mortgage Licensing System), instructor-led courses provide all of the tools to help you successfully complete your online MLO (Mortgage Loan Originator) pre-licensing education - and prepare you for your exam.
2. **You must have a unique NMLS ID to get credit for completing the course. To get a NMLS ID** visit mortgage.nationwidelicensingsystem.org Click Login to NMLS button. Create an individual account if you do not have one.
3. Each course has a specific start and end date. **All required exams and assignments must be completed before the end date to receive course credit.**
4. The Introduction and every module have required **exams that you must score 75% or higher** before the next module is accessible. You may retake the exams as often as you like during the course session. Access the exam by clicking the Exam button at the top of every module page.
5. You may be able to access a module and its reading assignment, but you can't start a module exam until it is unlocked.
6. New module exams are unlocked daily throughout the time period of the class session—for example, the Module 3 exam is unlocked on Day 2; the final exam unlocked on Day 11—but you are not required to complete one module each day. You can work at your own pace, but can't work ahead.
7. The course has several required “homework” assignments. Details for these, and other activities, are available from the Assignments page in each module. You **must complete the assignments to get credit for the course.**
8. Every module has a required reading assignment that may be read online, downloaded and saved, or printed. You should save/print the reading assignments for ongoing reference after the class ends.
9. The Course Resources page in the Introduction includes helpful reference documents that can be downloaded, such as instructions for taking tests and posting on discussion threads, answers to reading assignment quizzes, glossary, etc.
10. You can click on the Course Calendar to see the specific dates when module exams are unlocked or assignments are due.
11. You have easy access to your instructor and other students through our discussion forums and other activities.
12. You **will not have access to the course after the class end date.** Be sure to save/print the reading assignments for ongoing reference after the class ends.
