Course Information

The class is a one-day (8 hour) class that explains how to comply with EPA's Renovation, Repair and Painting Rule. Subjects covered will include: health effect, regulations, lead safe work practices, containment, cleaning & record keeping. Course will be conducted in accordance with EPA accredited model course in a manner that each student is able to understand. Course will be taught by an EPA Certified Instructor. A photograph of each student will be taken and forwarded to the EPA, along with necessary documentation of course completion. A certificate and/or the EPA card that verifies certified Renovator will be provided. The certification is valid for 5 years.
